Awards and rankings are broken into three categories: Two categories of submissions-based awards, and one category of research-driven rankings.

3 House Awards | Non-submission research-driven awards

CorporateTreasurer Awards 2018

The *CorporateTreasurer* Awards recognises the entire treasury industry. We invite submissions and nominations from: **treasurers, CFOs and their teams, bankers, consultants, technology vendors, accountancy firms, and anyone with an interest in supporting the improvement of Asian treasury and finance.**

1

Firstly, the *CorporateTreasurer* editorial team will have support from an exclusive **advisory board** of the region's highest profile practising CFOs and treasurers to provide technical guidance and advice. To maintain objectivity, the board will not be announced publicly until the night of the awards. Board members are allowed to pitch for awards themselves but will be recused from the decision-making process for that specific submission.

Please note: All winners will be announced on the night of the awards ceremony itself.
